

# Rugged Outdoor Power Outlets

Midwest Electric's line of **rugged outdoor power outlets** puts power where you need it. The durable powder coat paint, in conjunction with the G-90 galvanized steel construction, helps provide **excellent protection**, even in the harshest environments. A wide selection of **timers** makes these power outlets well-suited for holiday lighting, landscape and water effects, or for **any outdoor application** - and the green finish blends in nicely with the environment. All units feature GFCI duplex receptacles and **easily mount to Midwest's attachable post**.
