

Durable Outdoor Power Outlets

Midwest Electric delivers durable, dependable outdoor power where you need it. From building sites to barns, sheds and back yards, we help you power the great outdoors!

- Heavy-duty G-90 galvanized steel casting resists corrosion and damage
- Units available in attractive dark green paint
- Meets new National Electric Code (NEC) requirements for weather- and tamper-resistant GFCI receptacles
- Compact design saves space
- Pre-assembled enclosure reduces installation time
- Padlock provision helps prevent unauthorized access
- Cover design allows cords to exit while maintaining NEMA 3R integrity
- Rolled edge door for extra cord protection

All Midwest Outdoor Power Outlets fit in our 5" X 7" Attachable Post for convenient pad mounting or earth-burial mounting.
